## **Spring Sports**

As we enter the fourth quarter of the school year, we proudly kick off the spring sports season with the Wyandotte Relays. This annual event is always a highlight, as Bulldog Nation showcases its outstanding hospitality by welcoming schools from across the Kansas City metro for a full day of competitive track and field.

We extend our sincere appreciation to our Athletic Director, Mr. Rufus Black, and his staff for once again doing a tremendous job hosting this exceptional event.
