Class of 2027, Let's Get It Started

After many long months of cleaning, reorganizing, and upgrading, our Bulldog Alumni Room is once again open for tours and enjoyment. This has been a labor of love, and we are excited to continue building on the progress we have made.

As part of our **20 & Counting initiatives**, it is now time to keep moving forward. One of our next priorities is bringing former alumni together to form a committee dedicated to revitalizing and preserving our illustrious **Wyandotte Hall of Fame**. There is a need to restore the current Hall of Fame display in the Social Hall while also developing a system that will make it easier to maintain and preserve for future generations.

Also on the horizon is the **restoration and/or replacement of the trophy cases** located in both the Social Hall and the entrance to the gymnasium. These displays are an important part of our school's history and deserve to be showcased in a way that reflects the accomplishments and traditions of our Bulldogs.

Finally, we will continue working toward completing our **20 & Counting documentary**, including finishing the remaining interviews and editing the final project.

There is still much work to be done, but the vision remains the same: **preserve our past, celebrate our present, and build a legacy for future generations of Bulldogs.**

20 & Counting — and we're just getting started!

Get to know our new Administrators.....

Cliff Jefferson

MCA Academy Principal

College(s) Attended & Degree(s): University of Arizona Global Campus - BOA / Business Leadership, Emporia State University - Master of Education, University of Kansas PK-12 Building Leadership Graduate Certificate, and Currently Attending University of Kansas EDD Doctoral Program

Previous School: (Schlagle High School, 7 years)

About Mr. Jefferson:

Education was a second career for him after spending 19 Years in the Marketing Industry. After starting his career in education, he established his goal as a school administrator to serve first. Jefferson states, “servant leadership is at the head of his leadership philosophy, helping others grow and helping our students achieve excellence all takes place with him being the best servant he can be”.

Hobbies & Interests:

I enjoy Traveling, Selling Real Estate and I am a professional photographer. These hobbies and interests keep me pretty busy outside of the school day.

Favorite Quote: 1 Corinthians 15:10- “But by the Grace of GOD I am what I am”.

What are you most looking forward to this school year? Excited to build relationships with students and staff, Ready to affect change through positive interactions, great systems and servant leadership.

In Memory of Coach Tony Williams

Coach Tony “Stump” Williams, a proud graduate of Wyandotte High School’s Class of 1991, passed away on July 19, 2026.

Four years ago, Tony achieved a lifelong dream when he returned to his alma mater to coach girls basketball. During his time at Wyandotte, he was named Coach of the Year twice and led his team to the Sub-State tournament as the No. 1 seed this past season.

Outside of basketball, Tony had a passion for softball and bowling. He was an accomplished bowler, recording multiple sanctioned **perfect games of 300**—a remarkable achievement that reflected his competitive spirit and dedication.

Coach Williams was deeply loved by his players, colleagues, friends, and the entire Bulldog family. His passion, leadership, and commitment to Wyandotte will not be forgotten.

Rest in peace, Coach Stump. You will be deeply missed by your Bulldog family.
